Chief Guest Speaks

Today I saw a sea of youth in Loyola College, incidentally my proud Alma Mater, all of them looking for job and a pathway to their future. I commend, congratulate GiveLife, The Rise, Loyola College, and THREPI for jointly undertaking this massive effort with utmost dedication, sincerity and commitment. You bring today hope in the lives of thousands of our youth. That more than 500 companies of repute are participating in this GiveLife Great Chennai JobFair itself is a statement of the credibility of this huge endeavour. I am also immensely impressed by the orderly conduct and discipline of the youth gathered here which gives me the confidence that our collective future is safe and promising in the hands of GenZ. I wish them to be the torch bearers of the clarion call of GiveLife: that every youth in our society shall have a dignified life, and no one shall be left behind. That's indeed a laudable call. I also lend my voice to strengthen that call.

J.C.D. Prabhakar

Speaker of the Tamil Nadu Legislative Assembly

The esteemed Loyola Autonomous College, Nungambakkam, Chennai was the Venue Partner and Co-host of the Great Chennai Job Fair. Rev. Dr. Robinson, Rector and Head of all the institutions in the campus went out of the way to make the Job Fair a great success. Along with senior faculties and rank academia more than a thousand students did exemplary volunteering in Job Fair management and field assistance. The Loyola Administration took special efforts to bring in rural candidates, trained them for two days within the campus to attend the interviews which was something truly commendable. Most of those rural students got recruited by reputed companies in this Great Chennai JobFair.

GIVE LIFE
